# Our Premier LawnMower

The Finer EDGE of Precise Cutting

**Model LM-21ABS and the LM-21AHD**  
The Saber Edge 21 inch side bagger sets its self apart from all other 21inch mowers on the market. This lightweight durable lawnmower features a floating handle and staggered wheel design making running this machine all day a breeze. The professional landscaper will prefer its old school side discharge bag which seldom clogs even when mowing wet grass, along with being able to remove and empty the grass catcher with ease.  
  
This lawnmower is specifically designed to deliver a Saber Edge precision cut. Cutting the grass just like a razor, the Saber Edge Lawnmower will deliver a superior cut, leaving behind a beautiful manicured lawn.

The Finer EDGE of Precise Cutting

The Saber Edge Lawn mower delivers durability along with dependable easy start. This lawn mower offers many years of service and a high quality cut when bagging or mulching. It also comes with your choice from a variety of engines such as Briggs and Stratton and Honda, along with your option of push mower design or self-propelled design.

Uses a high grade aluminum alloy die cast mower deck, which allows the machine to keep its light weight design while still maintaining tremendous strength. Never having to worry about metal fatiguing or rusting.

The Serious  
Homeowner

LM-21SBS

SPLM-21SBS

LM-21AHD

Change from mulching to bagging by simply shifting the lever.

SPLM-22AHD

LM-22ABS

Adjust cut heights from 7/8in to 3 - 3/8in with one low effort lever. All four wheels raise or lower simultaneously as the lever moves forward or back.

Saber Edge wheels are equipped with high quality precision bearings.
